Clinical Psychologist II & III  
Various Positions Available  
Permanent & Temporary, Part-Time & Full-Time  

Eastern Region of Canada  
Newfoundland and Labrador boasts some of the most unique and beautiful scenery in the country. From rolling pine clad hills and sprawling marshes to sea-view vistas and remote pebble beaches, there is something distinctive around every turn. A great place to live for adventure seekers and outdoor enthusiasts from camping, hiking, snowmobiling, whale or bird watching, hunting, fishing and berry picking. There is no shortage of ways to experience Newfoundland and Labrador’s unique natural beauty with coastline towns and villages nestled in and around dozens of coves, guts, bays, and tickles. Full of culture and heritage, the Eastern Region of Newfoundland is rich with history and folklore, museums, lighthouses, art galleries, historic sites, festivals and cultural events are plentiful. For more information on the region visit the official Newfoundland and Labrador website at www.newfoundlandlabrador.com.

The Location  
Eastern Health is the largest, integrated health authority in Newfoundland and Labrador employing approximately 13,000 dedicated employees and serving a population of more than 300,000 people. The authority offers the full continuum of health and community services including public health, long-term care, community services, hospital care and unique provincial programs and services. At Eastern Health we pride ourselves on providing the highest quality care and service possible to the people in our communities, in our region, and in the province. To do that, we employ qualified, competent and caring individuals who are dedicated to their professions and to our vision of Healthy People, Healthy Communities.

Eastern Health has sites in the communities noted on the map below:

Eastern Health offers psychology services to children, adolescents, adults and seniors while in hospital (inpatients) or within the community (outpatients) or within long term care (residents) through a variety of programs including Mental Health and Addictions, Child and Women’s Health, Rehabilitation and Continuing Care, Long Term Care, Medicine, Surgery, Cardiology, Community Living and Supportive services. Psychologists with Eastern Health enjoy autonomous practice, private offices and typically work Monday to Friday 9 to 5. Eastern Health provides our psychologists with the supervision required for licensure and also provides our psychologists with the opportunity to supervise students and residents. Our Psychologists are well respected and valued.

Eastern Health encourages you to inquire about our current vacancies, competitive pay and benefits, relocation assistance, student bursaries, and other employment incentives.
