

We are currently recruiting for part-time Clinical Psychologists for both our Adult and Child/Adolescent Services. At B&C Health we focus on providing quality care for our clients and a comfortable, hassle free environment for our clinicians. We have one simple and straightforward mission: to help people make substantial and lasting changes in their lives.

Who we are:

B&C Health (bnchealth.ca) is a rapidly growing psychology clinic that offers comprehensive assessment, treatment, and consultation services. Our team of registered psychologists is committed to providing evidence-based services in a professional and respectful environment. We employ Cognitive-Behavioural Therapy (CBT) and related techniques for a variety of difficulties from depression and anxiety to the stress and strain of work and everyday life. We are located 30 minutes west of Toronto in Mississauga.

Qualifications:

- Doctoral level degree in psychology
- Currently registered or eligible for registration with the College of Psychologists of Ontario
- Demonstrated skills to provide evidence-based clinical management, assessment and therapy
- Work primarily from a CBT orientation and also be familiar with additional modalities of treatment
- Excellent oral and written communication skills, interpersonal skills, and the ability to work effectively in a team environment
- Experience working with mood disorders and anxiety disorders

The following qualities would be considered assets:

- Competency in working with couples
- Competency in working with families
- Competency in conducting psychoeducational assessments
- Facility with mindfulness meditation, acceptance and commitment therapy
- Ability to offer treatment in a second language
- Ability to work evenings or weekends
