

We strive to create an environment where you enjoy the work you do, the place where you work, and the people around you. From the financial advisor managing our health care resources, to the IT professional enabling life-saving data, to the nurse and physician on the front line of patient care, everyone plays a role in the care continuum. Together, we create great workplaces.

## **Position Highlights**

We currently have an exciting opportunity for a **Psychologist** to join a multidisciplinary team that is passionate in their work with youth and families in the Adolescent Psychiatric Unit located at Surrey Memorial Hospital in Surrey, British Columbia.

#### In this position you will:
