PSYCHOLOGIST B

Regular Part-time
Raven Song - Vancouver, BC

Vancouver Coastal Health is world renowned for innovation and a focus on quality care and outcomes. Come for the job. Stay for the team.

About The CYMH Program

The Child and Youth Mental Health Program provides in-depth assessment, diagnosis and treatment of children and youth age 5-19 years with their families. Our clinical teams are dedicated to maintaining very high standards in provision of evidence-based treatments.

About the job:

The Psychologist will work independently and in an interdisciplinary team, complete psychological assessments, attend clinical/case conferences, provide formal/informal consultations to team clinicians. Maintain client records including the client diagnosis and treatment recommendations; prepare psychological reports. Participate in quality improvement and risk management. Provide clinical teaching/supervision to Psychology Residents and students; conduct and participate in research.

Qualifications:

- Ph.D. in Clinical Psychology from a recognized university.
- Two (2) years recent related experience in therapeutic, diagnostic and consultation services in the designated scope of practice areas of mental health & addiction services such as experience working with individuals with mental health issues, substance misuse, anxiety and mood disorders and post-traumatic stress disorder.
- Current registration with the College of Psychologists of British Columbia or registration with the College within one year of employment.
- Valid Class V B.C. Driver's license and possession of a personal vehicle with business insurance coverage when required.
