PSYCHOLOGIST B

Regular Part-time
Hamber House - Vancouver, BC

Vancouver Coastal Health is world renowned for innovation and a focus on quality care and outcomes. Come for the job. Stay for the team.

About Hamber House

Hamber House Adolescent Psychiatric Day Treatment Centre is a milieu based program offering clinical and education services to severely mentally ill youth, ages 13-18, who have been unsuccessful in their community school setting. Additionally, Child and Youth Mental Health is constituted by a number of "teams" (Hamber House being one) based in the community that treat mentally ill children, youth and their families.

About the job:

The Psychologist will complete assessments, attend clinical/case conferences, provide consultations, participate in quality improvement risk management activities, provide supervision to Psychology Residents and students and conduct or participate in research.

Qualifications:

- Ph.D. in Clinical Psychology from a recognized university.
- Two (2) years recent related experience in therapeutic, diagnostic and consultation services in the designated scope of practice areas of mental health & addiction services such as experience working with individuals with mental health issues, substance misuse, anxiety and mood disorders and post-traumatic stress disorder.
- Current registration with the College of Psychologists of British Columbia or registration with the College within one year of employment.
- Valid Class V B.C. Driver's license and possession of a personal vehicle with business insurance coverage when required.
