- School Psychology
- Vocational and Career Counselling
- Art & Play Therapy
- Couple Therapy
- Family Therapy
- Sex Therapy

The office is located in a convenient downtown location, inside the Oshawa Clinic, which is the largest multi-specialty medical group practice in Canada with over 110 physicians. Being located within a professional medical building allows for frequent collaboration with other health professionals to provide comprehensive care. Our practice is similar to an out-patient adult and children mental health clinic addressing a variety of presenting problems and complex issues.

We offer a variety of psychological services including psychological assessments, psycho-educational assessments and intervention, psychotherapy and counselling, clinical consultation, supervision and training to support practitioners in their psychotherapy and counselling practices, as well as supervision for clinicians who are pursuing specific professional credentials (e.g. registration requirements for Psychologists and Clinical Membership and Approved Supervisor Status with American Association for Marriage and Family Therapy (AAMFT)).

Oshawa Psychological & Counselling Services (OPCS), is part of a larger organization that consists of Woodbine Psychological & Counselling Services established in 2008, located in Markham, Ontario; and Oshawa Psychotherapy Training Institute established in 2009 which is the professional development and clinical training arm of the organization. Through the Oshawa Psychotherapy Training Institute (OPTI). OPTI offers courses in Couples Therapy, Family Therapy, Dialectical Behavior therapy, Emotion-Focused Therapy, Cognitive Behavioral Therapy. Our courses are taught by seasoned professionals active in clinical practice with graduate-level university teaching experience.

Training students is one of OPCS' commitments to the field of psychology in nurturing the next generation of psychologists. The Internship/Practicum program in Clinical/Counselling Psychology is an integral part of our low fee community service program.

Candidates require a Doctorate (Ph.D./Psy.D.) in Clinical Psychology (Adult) plus registration for autonomous or supervised practice status with the College of Psychologists of Ontario and related clinical experience. Experience in couple therapy preferred. If you are interested, please forward us a copy of your CV. For more information please contact:
