OF MANITOBA

## Rural Clinical Psychologist

University of Manitoba and  
Southern Health / Santé Sud

Southern Health/Santé Sud and the Department of Clinical Health Psychology in the Max Rady College of Medicine, Rady Faculty of Health Sciences of the University of Manitoba invite applications for a Contingent Geographic Full-Time Psychologist at the Assistant Professor level (**Position # 20317**), commencing **September 1, 2017**, or as soon as possible thereafter in the area of Rural Community Clinical Psychology.

This position is based in **Portage la Prairie**, in close proximity to Winnipeg, and provides clinical services to the Southern Health-Santé Sud region.

### The Psychologist will provide:

- Clinical services to children, adolescents, adults and families.
- Consultation to health professionals throughout the Southern Health/Santé Sud region (population 188,000).
- Program development and evaluation, community mental health promotion and substance abuse prevention and intervention activities.
- Supervision of residents in the CPA accredited residency training program of the Department of Clinical Health Psychology.
- Clinical teaching of students in the health professions and continuing professional education of health professionals in facilities and in the community.
- Applied clinical research and program evaluation.

The Clinical Health Psychology Department, Max Rady College of Medicine provides clinical consultation and support to its member psychologists living and practicing in several rural and northern communities. For more information on our department, visit our website: [www.umanitoba.ca/medicine/clinical\\_health\\_psych](http://www.umanitoba.ca/medicine/clinical_health_psych). For information on the Southern Health region visit: <http://www.southernhealth.ca/>

### Qualifications:

- Doctoral degree (PhD or PsyD) in Clinical Psychology from a CPA accredited clinical psychology training program and completion of a CPA accredited internship/residency.
- Eligibility for registration as a Psychologist (C. Psych) by the Psychological Association of Manitoba [www.cpmb.ca](http://www.cpmb.ca)
- Pass pre-employment criminal records, child and adult abuse and vulnerable persons checks.
- Excellent interpersonal communication, and inter-professional teamwork skills, flexibility, maturity and positive professional identity.
- Ability to provide mentorship for treatment modalities in a team approach.
- Training, experience and/or research in community mental health and primary care settings would be an asset.
- Training, experience, and/or research background and interests in Aboriginal health issues would be an asset.
- A vehicle and valid driver's license are essential for this position, given the requirement for consultation in rural areas.

**Salary and Benefits:**

- An attractive salary schedule and benefits are available through the University of Manitoba.
- The GFT agreement provides for on-site private practice opportunities.
- The Department of Clinical Health Psychology will provide the required clinical supervision for individuals at the C. Psych Candidate level to become registered as C. Psych, and consultation thereafter.

The University of Manitoba is strongly committed to equity and diversity within its community and especially welcomes applications from women, members of racialized communities, Indigenous persons, persons with disabilities, persons of all sexual orientations and genders, and others who may contribute to the further diversification of ideas. All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority.

Interested persons should apply in writing referring to **Position Number: 20317**, including curriculum vitae, and the names and contact information of three references to:
