

## **Faculty of Health – Department of Psychology Quantitative Methods**

The Department of Psychology at York University ([psyc.info.yorku.ca](http://psyc.info.yorku.ca)) invites applications for a full-time tenure track position in Quantitative Methods at the rank of Assistant Professor with an anticipated start date of January 1, 2018.

Candidates with a PhD in Psychology or a related field and a strong program of research in Quantitative Methods are encouraged to apply. Candidates should show excellence or promise of excellence in teaching and in scholarly research and publication. Candidates will be expected to teach both undergraduate and graduate level quantitative methods courses, as well as supervising undergraduate and graduate student research in Quantitative Methods. Candidates with specializations in any area of Quantitative Methods for Psychology will be considered, for example structural equation modeling, multilevel modeling, Bayesian statistics, measurement, longitudinal analysis, robust statistics, data mining, etc. The candidate must be eligible for prompt appointment to the Faculty of Graduate Studies.

York is Canada's third largest university with a rich diversity of perspectives and a strong sense of social responsibility. Our Psychology Department is ranked among the top 100 in the world according to the 2017 QS World Rankings.

A cover letter of application (specifying the position to which you are applying), an up-to-date curriculum vitae, a statement of research and teaching interests, three reprints or preprints, and teaching evaluations (if available) should be merged into a single pdf file and sent by June 30, 2017 to: [psycjobs@yorku.ca](mailto:psycjobs@yorku.ca). Arrangements should also be made for three confidential letters of reference to be submitted to the same email and addressed to Chair, Psychology Search Committee, 296 Behavioural Sciences Building, Department of Psychology, York University, Toronto, ON, Canada, M3J 1P3. We thank all applicants for their interest, however only those selected for an interview will be contacted.

*All York University positions are subject to budgetary approval. York University is an Affirmative Action (AA) employer and strongly values diversity, including gender and sexual diversity, within its community. The AA program, which applies to Aboriginal people, visible minorities, people with disabilities, and women, can be found at [www.yorku.ca/acadjobs](http://www.yorku.ca/acadjobs) or by calling the AA office at 416-736-5713. All qualified candidates are encouraged to apply; however, Canadian citizens and Permanent Residents will be given priority.*
