

Psychologist

Regular/Full-time

Manitoba Families/Community Service Delivery/Centralized Services and Resources

Winnipeg, Manitoba

Advertisement Number: 33282

Salary Range: \$82,158 – \$103,663

Closing Date: February 28, 2018

The Manitoba government recognizes the importance of building an exemplary civil service that is inclusive and reflective of the population it serves. We encourage applicants to voluntarily self-declare in the cover letter, resumé or application if they are from any of the following employment equity groups: women, Aboriginal people, visible minorities, and persons with disabilities.

Candidates who do not meet all essential criteria may be considered on an underfill basis at a commensurate rate of pay.

An eligibility list may be created for similar regular and term full-time positions and will remain in effect for 12 months.

We also encourage applicants seeking part time employment to apply.

This posting has an extended closing date. Applications will be reviewed on a monthly basis.

Qualifications:

Conditions of Employment:

- Must be legally entitled to work in Canada
- Registered or eligible for registration as a Psychologist (C.Psych) with Psychological Association of Manitoba
- Must be a member in good standing with the current licensing body
- Must have satisfactory Criminal Record Check (vulnerable sector search), Adult Abuse Registry Check, Child Abuse Registry Check
- Must have valid driver's license, access to a vehicle and ability to travel throughout Manitoba

Essential:

- A doctoral degree (PhD or PsyD) in Psychology (Clinical or Applied Behavior Analysis) from an accredited graduate program
- Experience working with individuals (children or adults with intellectual and/or developmental disabilities or special needs) and/or their families/caregivers
- Experience administering and interpreting psychological assessments, including issues relevant to intellectual/cognitive assessment and diagnosis of intellectual and neurodevelopmental disorders

- Experience with providing clinical/behavioral intervention to children, adolescents, and/or adults
- Knowledge of the theories of clinical supervision as it pertains to supervising other clinicians
- Knowledge of the Vulnerable Persons Act
- Ability to work effectively and collaboratively in a team environment including developing relationships with specialists, clients, case managers, care providers, families and various service providers
- Ability to work independently
- Effective verbal communication skills
- Effective written communication skills
- Proficiency in using MS Office Software applications particularly Word, Excel and Outlook

Duties:

Reporting to the Senior Psychologist, Winnipeg Region, the Psychologist independently provides an advanced and broad range of psychological/behavioral supports (complex psychological evaluation/assessment, diagnosis and therapeutic intervention), to a wide range of referred individuals identified as eligible within the mandate of Community Services Delivery in the Winnipeg Region (Adult Services, Children's disABILITY Services, and Manitoba Early Learning & Child Care).

The Psychologist will supervise the work of clinical specialists within the Winnipeg Region and rural regions of Manitoba. The clinician also provides public education and consultation to community groups and agencies in the area of behavioral/clinical applications for individuals with special needs. The position provides clinical services within the general parameters and standards set by the Department, and according to the expectation of the Psychological Association of Manitoba (P.A.M.).

A complete copy of the position description is available upon request.
