

Psychologist

The Ministry of Community Safety and Correctional Services' Maplehurst Correctional Complex and Vanier Centre for Women seek two registered Psychologists to join their team.

Milton is one of Ontario's fastest growing communities, and is surrounded by several conservation areas for all-season recreation. It is also an easy commute within the Greater Toronto Area and surrounding cities.

As a registered Psychologist, you will have an opportunity to be part of a dedicated, multi-disciplinary team in the delivery of a wide range of psychological services and treatment programs for both correctional facilities.

If you are an outstanding professional with a passion for helping others, don't miss this exciting opportunity.

What can I expect to do in this role?

In this role, you will:

- Provide a wide variety of psychological services related to the diagnosis, treatment, assessment and evaluation of offenders
- Facilitate psychological rehabilitation, conduct therapy, and administer, evaluate and interpret psychological tests
- Organize and conduct research and program evaluation projects
- Assist with staff training programs
- Provide consultation and advice to the management team, and respond to inquiries

Location: Milton

How do I qualify?

Mandatory Requirement

- You are registered in good standing as a Psychologist in autonomous OR supervised practice in the Province of Ontario

Specialized Knowledge and Skills

- You have demonstrated knowledge of the science and practices of psychology, including psychotherapeutic and assessment techniques to plan, conduct and coordinate services
- You can apply complex treatment techniques, and provide consultation and advice on diagnosis and treatment of offenders
- You have knowledge of forensic psychological theories, practices and procedures

Communication and Interpersonal Skills

- You can effectively communicate information on assessment approaches, findings, and treatment and rehabilitative activities
- You can use motivational interviewing skills to encourage the use of psychological services with a goal of promoting change
- You can maintain strong working relationships with staff in multi-disciplinary teams and community agencies

Analytical and Organizational Skills

- You can determine the most appropriate diagnostic approach from a range of alternatives
- You can evaluate the effectiveness and efficiency of treatment and rehabilitative programs
- You can use sound judgement when working with highly confidential information and cases

Other Essential Skills

- You can organize and coordinate psychological services
- You have knowledge of and experience with program evaluation techniques

Salary Range: \$1,494.91 - \$1,918.53 per week
