Inspiré par la recherche.
Guidé par la compassion.

Competition #62698 – Regular Part-Time Psychologist

Position Information:

The Ottawa Hospital

One of Canada's largest teaching and research hospitals, The Ottawa Hospital (TOH) is a multi-campus academic health sciences centre serving the 1.2 million residents of Ottawa and Eastern Ontario, in both English and French. Working together with the Ottawa Hospital Research Institute, the University of Ottawa, and other partners, TOH is continually gaining national and international recognition for high quality patient care, teaching and research.

TOH Psychology

Incumbents will be part of a collegial and vibrant group of Psychology staff, who are actively involved in clinical service, research, teaching and training. TOH Psychology has an accredited internship training program in Clinical Psychology. Psychologists have academic appointments with the School of Psychology at the University of Ottawa and supervise practicum students.

Rotation/Shifts:

Days, 8 hour shifts.

* For information purposes only - The Hospital reserves the right to change.

Basic Requirements:

- Doctorate in Psychology from a CPA or APA accredited clinical psychology program;
- Registered, or eligible for registration, with the College of Psychologists of Ontario with declared areas of competency in Health and Clinical Psychology;
- Completion of a CPA or APA accredited internship;
- Experience in psychodiagnostic assessment and treatment in medical patients with co-morbid psychological conditions;
- Demonstrated ability to work cooperatively and collaboratively in an inter-professional setting;
- Experience working with word processing, spreadsheet and database applications;
- Ability to supervise/lead/coach/mentor;
- Superior written, verbal and presentations skills in English;
- Superior interpersonal skills.

Preferred Qualifications:

- Experience working with a bariatric patient population;
- Experience in group therapy;
- Experience in clinical program development and program evaluation;
- Proficiency in speaking and comprehending both English and French.

How to Apply:

If you are passionate about what you do, motivated by improving the health of the community, excited by leading-edge medical technology, and as committed to excellence, quality and patient safety as we are, we would like to hear from you. Please submit an on-line application for the position you are interested in. We thank all those who apply but only those selected for further consideration will be contacted.

The Ottawa Hospital is an equal opportunity employer. Upon request, accommodations due to a disability are available throughout the selection process.

If you are interested in being part of TOH Psychology, please visit our external website and enter “psychologist” into the keyword search to review available positions for Psychologists.
