Clinical Director

Clinical Director

- Provide strategic leadership that underpins best practice in relation to the delivery of offence specific interventions within a correctional environment;
- Develop and promote a reputable program of research scholarships, to empower staff to apply theory into practice within the workplace.
- Publish research studies and raise the profile of Corrections Victoria as a centre of clinical excellence
- Provide professional development opportunities to our clinical workforce; to increase the knowledge base & skills of our clinical staff
- Develop, maintain and enhance key professional relationships with internal and external stakeholders including tertiary providers

This is a highly specialised role and as such, to be successful your skills will include;

- being professionally recognised by your peers as an expert in the delivery of offence specific interventions
- leading specialist research projects, including successful grant applications and publications
- an ability to impart your specialist knowledge in areas including corrections and forensic-related research projects, risk assessments and delivery of interventions in a correctional setting.

Qualifications

A post graduate qualification in Psychology is required.

Benefits of joining Corrections Victoria

- You will be recognised at a senior level for setting the strategic direction and driving innovative solutions to how services are delivered by our allied health workforce
- You will be overseeing an established and motivated workforce, who value your expertise and strategic direction
- Annual performance and development scheme with performance based salary increases
- Salary packaging of superannuation
- Generous leave entitlements, including the opportunity to purchase up to eight weeks annual leave per annum
- Relocation allowance available to the successful applicant.

If you have any specific questions regarding this role, please contact Larissa Strong - Deputy Commissioner, Offender Management on (03) 8684 6521 for a confidential discussion.

Applications close Wednesday, 31 January. Please note, applications will be regularly reviewed up until the closing date. We encourage you not to delay your application.
