

Clinical Psychologist

Saskatoon Police Services

(Temporary full-time for approximately one year)

Posting No. 208(292)

The City of Saskatoon is an Employment Equity employer

DUTIES:

1. Oversees the overall Mental Health Strategy which includes coordinating, developing, and evaluating the various facets of the Strategy.
2. Performs mandatory fitness-for-duty assessments for members in units and teams that are exposed to conditions of high stress and potentially traumatic events to ensure the members are coping adequately and are not suffering ill effects from repeated exposure to these events. Yearly follow up will occur.
3. Acts as a coordinator and liaison with the Team Leaders of the Critical Incident Stress Management Team to ensure proper care and follow up for members involved in traumatic incidents.
4. Acts as a liaison with the Service's EFAP providers and other community mental health professionals.
5. Provides recommendations for improvements to the Service's Mental Health Strategy.
6. Facilitates education and training for members on mental health and well-being.
7. Responsible for the development and implementation of program evaluation activities for the Mental Health Strategy.
8. Performs other related duties as assigned.

QUALIFICATIONS:

- PhD in Clinical Psychology.
- Registered Psychologist in good standing with the Saskatchewan College of Psychologists (or eligible for registration in Saskatchewan) with APE (Authorized Practice Endorsement).
- Four to six years of related experience in the field of Clinical Psychology.
- Experience with first responders is an asset.
- Experience with program development and evaluation would also be an asset.
- Knowledge of theory and practices of psychology specializing in occupational stress injuries.
- Knowledge of validated psychological assessment tools for evaluating fitness-for-duty.
- Knowledge of best practices regarding mental health strategies and programs to maintain psychological health and well-being.
- Communication and interpersonal skills to foster collaboration and partnerships to achieve desired results.
- Ability to research best practices in the area of mental health and first responders.
- Ability to pass the Saskatoon Police Service security clearance process.

SALARY:

\$120,648.00 to \$141,760.80 per annum (2016 rates)

CLOSING DATE:

Wednesday, April 18, 2018
