

Psychologist

Ottawa-Carleton Detention Centre, located in Ottawa, Ontario, is a 585-bed correctional facility. We are seeking an experienced, registered Psychologist to join our team!

As a registered Psychologist, you will have an opportunity to be part of a dedicated, multi-disciplinary team in the delivery of individual and group treatment programs, as well as therapy and consulting services.

If you are an outstanding professional with a passion for helping others, don't miss this exciting opportunity.

What can I expect to do in this role?

In this role, you will:

- Provide a wide variety of psychological services related to the diagnosis, treatment, assessment and evaluation of offenders
- Facilitate psychological rehabilitation, conduct therapy, and administer, evaluate and interpret psychological tests
- Provide risk assessment reports to the Ontario Parole Board
- Organize and conduct research and program evaluation projects
- Assist with staff training programs
- Provide consultation and advice to the management team, and respond to inquiries

Location: Ottawa

How do I qualify?

Mandatory Requirement

- You are registered in good standing as a Psychologist in autonomous OR supervised practice in the Province of Ontario

Specialized Knowledge and Skills

- You have knowledge of the Professional Standards of Practice
- you have demonstrated knowledge of the theory and practices of psychology, including current rehabilitative, treatment and assessment techniques
- You have knowledge of the application and interpretation of assessment instruments to evaluate intellectual and personality functioning
- You can apply complex treatment techniques, and provide consultation and advice on diagnosis and treatment of offenders
- You have knowledge of forensic psychological assessment tools and techniques
- You have knowledge of program evaluation and research techniques

Communication and Interpersonal Skills

- You can effectively communicate information on assessment approaches, findings, and treatment and rehabilitative activities
- You can maintain strong working relationships with multi-disciplinary team members
- You can conduct therapy and counseling sessions
- You can assist in professional supervision of placement students, and participate in staff training

Analytical and Problem Solving Skills

- You are skilled in making diagnoses and recommending appropriate treatment interventions
- You can provide diagnostic assessments, as well, formulate, deliver and evaluate treatment, crisis intervention and rehabilitation plans and programs

Other Essential Skills

- You can organize, co-ordinate and supervise psychological services

Salary Range: \$1,494.91 - \$1,918.53 per week
