

Clinical Psychologist II & III

Various Permanent & Temporary, Part –Time & Full – Time positions available

Eastern Health is the largest, integrated health authority in Newfoundland and Labrador employing approximately 13,000 dedicated employees and serving a population of more than 300,000 people. The authority offers the full continuum of health and community services including public health, long-term care, community services, hospital care and unique provincial programs and services. At Eastern Health we pride ourselves on providing the highest quality care and service possible to the people in our communities, in our region, and in the province. To do that, we employ qualified, competent and caring individuals who are dedicated to their professions and to our vision of *Healthy People, Healthy Communities*.

Eastern Health offers psychology services to children, adolescents, adults and seniors while in hospital (inpatients) or within the community (outpatients) or within long term care (residents) through a variety of programs including Mental Health and Addictions, Child and Women's Health, Rehabilitation and Continuing Care, Long Term Care, Medicine, Surgery, Cardiology, Community Living and Supportive services. Psychologists with Eastern Health enjoy autonomous practice, private offices and typically work Monday to Friday 9 to 5. Eastern Health provides our psychologists with the supervision required for licensure and also provides our psychologists with the opportunity to supervise students and residents. Our Psychologists are well respected and valued.

Eastern Health encourages you to inquire about our current vacancies, competitive pay and benefits, relocation assistance, student bursaries, and other employment incentives.

Qualifications:

For all Psychology positions, a Master's in Clinical Psychology is required, Ph.D or Psy.D preferred. Registration or provisional registration with the Newfoundland and Labrador Psychology Board is required. Individuals who are eligible for registration will be considered.
